Nathalie Sancoeur was good at her job. She kept the Agreste household running on schedule, which was no easy task considering the younger Agreste tended to run off whenever he pleased, and the older was secretly a supervillain.

But today, she was having trouble finding a portfolio that her boss, Gabriel Agreste, had asked for. She searched through his files for it, and finally found it tucked behind a stack of rejected fashion concepts.

She returned to his office and handed him the portfolio.

"You're better than this, Nathalie," Gabriel said coldly, his tone suggesting disappointment in her. "I needed those designs ten minutes ago."

"Yes, sir," she replied, her head bowed in shame. "I'll do better."

His head snapped up suddenly. "I feel a very strong emotion … take care of Adrien. I need to make use of this before it's gone."

He walked over to the large portrait of his departed wife, pressing the secret buttons that would lead him to his lair. He was off to try, once again, to get his hands on the Miraculous.

Adrien was safe in his room, so Nathalie had the length of the battle to herself. She headed straight to her office. She kept herself stoic on the outside, but inwardly – she was *trembling* , taken aback by Gabriel's tone, his disappointment in her. And more than that, she was *wet.*

She locked the door to her office, leaning against the closed door for a moment to pull herself together. Then, she headed to her comfortable desk chair, undid her sensible pantsuit trousers, and slid her hand into her underwear.

Her fingers spread open her folds as she let out a small moan, one finger sliding inside herself. She rubbed herself quickly, not wasting any time as she worked her hand inside herself, rubbing the base of her hand against her clit.

God, what if Gabriel *saw* her like this? "You should be *working* , Nathalie," she imagined him saying, if he walked in on her. "Not rubbing yourself like a common *whore* ."

She curled her fingers inside herself, letting out a small groan.

"You're supposed to be better than this," she pictured him saying. "Are you really so desperate that you need to touch yourself in the middle of the day? In *my* house?"

"Yesss," she moaned out, imagining Gabriel stalking towards her. He would grab her chin, force her to look at him while she rubbed at her clit.

"Disgusting," he would spit at her, before letting her go. "Ah, well, if you're going to be this way, you can at *least* make yourself useful."

"Useful, sir?" she would ask, and her lips formed the words, though no sound came out.

“Stand up,” he’d order her, one hand grasping her wrist, pulling her hand out of her pants. “Take off your pants and bend over your desk.”

“S-sir?” Oh, she would do it. She wouldn’t hesitate to slide off her pants and underwear with trembling fingers, turn away from him and bend over her desk, her cheek pressed into a pile of paperwork.

“Since you’re going to act like a common whore, I might as well treat you like one,” he’d reply. She’d hear the sound of his pants unzipping, and then she’d feel his hands on her hips.

“Oh, Gabriel,” she’d moan, feeling his cock rubbing against her folds.

He’d slap her ass, just lightly, just enough to sting. “I’m your *boss* ,” he’d admonish her. “Don’t forget that.”

“Yes! Sir!” she’d reply, and any other words she might have would be cut off by the feeling of his cock sliding inside her.

Oh, he’d be big, filling her up perfectly as he slid deep inside her, his hands gripping tight at her hips. He’d use her like a toy, his cock slamming into her in fast, shallow thrusts. He wouldn’t need to care about her pleasure.

She knew she’d cum so many times on his cock, her pussy already *so* wet around her fingers. She would drip her juices all over his cock, onto her desk, ruining any files beneath her.

Gabriel would fuck her hard into the desk, messing up her perfect piles of paper and notes, probably hard enough to toss her tablet to the floor. Maybe it would shatter with the force of his thrusts into her. Neither of them would care.

“Fuck, Nathalie,” he’d growl into her ear, the sound making her gasp and moan again. “If I’d known I had such a whore living in my house, I would have changed your official position much earlier … *nngh* !”

Nathalie reached her peak, her hips rising off her chair to meet her hand as she imagined Gabriel cumming inside her, his hands holding her tightly, his voice calling out wordlessly as he filled her. Her pussy juices leaked out around her fingers, staining her underwear, but she didn’t care.

She slowly pulled her hand from her pants, grabbing a tissue to wipe it clean. Of course, that fantasy would never happen. Gabriel was too in love with Emilie to give her a second glance.

Her tablet beeped. It was time to make sure Adrien made it to his fencing lesson. She straightened her clothes before leaving her office.

As she passed by Gabriel’s atelier, she heard him call out, “Nathalie.”

“Yes, sir?” she asked, stopping in the doorway.

“I am … sorry for my outburst earlier,” he said. “You’re doing a fine job.”

“Thank you, sir,” she replied. “I’m going to ensure Adrien gets to his fencing lesson now.”

Gabriel gave a nod, dismissing her.

As she walked away, she tried to ignore the rush of arousal that went through her at her boss’s words.
