Enough!

by Tinkerbell2319

Summary

Rocket is trying to eat his breakfast, but Peter and Gamora are making him gag.

Prompt: “Can you two cool it with the PDA?”

Rocket walks into the kitchen and sees Gamora on Peter's lap with her tongue down his throat. Rocket gags. "Do you guys have to do that in the kitchen?!"

They both look up. "Hey, Rocket," Peter says.

"I just want to eat my breakfast!" Rocket says, pouring himself a bowl of cereal.

"Then ignore us. Problem solved," Gamora retorts.

"You guys have a bedroom for a reason!"

"We wanted breakfast."

"Then eat food, not each other!"

"We're waiting for the coffee to brew."

Gamora rolls her eyes. "If you don't like it, don't look."

They resume making out and Rocket groans. "Can you two cool it with the PDA?! I can't go anywhere on this ship without seeing you two sucking face or grinding on each other!"

"It's my ship," Peter scoffs.

" *All of us* live here, and you're being a dick!"

Gamora whispers something to Peter and he laughs.

"What?! What'd she say?!"

"You don't want to hear it."

"What was it?!"

Gamora smirks. "Think about what you just called him. What do you think I said about him?"

Rocket gags again. "You two are disgusting. I'm taking my cereal to my room."
